

MEDICAL TRANSPORT SERVICE

La Fondazione, con propri mezzi e personale dipendente, garantisce il trasporto of guests in health facilities located in the Municipality of Senigallia for specialist medical examinations and diagnostic tests.

This service does not involve any charge because the expenses are included in the fee when the following conditions are met:

- Appointment directly agreed by the operators of the Authority;
- The service is carried out during normal working hours from 7.30 to 13.30
- The guest is accompanied and assisted by his/her relatives and/or by a person appointed by them;

If one of the above conditions is not met, the service can still be carried out, but involves a charge of €. 15,00.

At the request of the guest and/or his relatives, the Foundation also guarantees, with its own means and personnel, the transport and accompaniment to health facilities located outside the Municipality of Senigallia.

This service, if carried out during normal working hours (7.30 - 13.30), involves a charge of €.50.00, otherwise the sum of €.80.00 will be charged.
